The London Marathon is one of the world's most iconic running events, bringing together thousands of people every year to take on the 26.2-mile challenge through the heart of London. Whether you're chasing a personal best or taking on your first marathon, every step with Team GLAN can make a real difference.

By running for GLAN, you'll be helping us use the law to challenge powerful states and corporations responsible for human rights abuses and environmental harm. Your fundraising will support long-term legal action that stands alongside communities fighting exploitation, climate injustice and impunity. Together, we can turn every mile into meaningful change.

MARATHON **FAQS**

If you already have a place for the London Marathon, you can use your place to run and raise money for Team GLAN.

I missed out on a ballot for the London Marathon. Can I still get a place with Team GLAN?

Yes absolutely. If you were unsuccessful in securing a ballot place for the London Marathon, you can still run for Team GLAN.

I've had a change of circumstance and can no longer compete, what happens now?

If you are unable to attend the event, please let us know as soon as possible by emailing fundraising@glanlaw.org. Unfortunately registration fees are non-refundable.

When will I get confirmation of my place?

Once you've paid the £75 registration fee, a member of the team will be in touch confirming your place on Team GLAN. If you would like to get in touch with the team, email us at fundraising@glanlaw.org.

How much money do I need to raise?

We ask all our runners to raise the minimum amount of £2,750. You can, of course, raise more! We will be supporting you to achieve your fundraising target right up to the Marathon.

MARATHON **FAQS**

When do I need to meet the fundraising target?

We ask our runners to raise at least 75% of the target by Sunday 25 April 2027. The total must be sent to us three weeks after the event. If you have any questions contact fundraising@glanlaw.org.

What happens if I don't meet my target?

Most of our runners go on to exceed their targets, and we'll be here with fundraising tips and support every step of the way.

We ask every participant to commit to a minimum fundraising target of £2,750 to cover the costs of the event place and ensure your efforts help fund GLAN's work challenging injustice through strategic legal action around the world.

If you're struggling to reach your target, please get in touch.

How will the money I raise be used?

Every pound you raise helps GLAN use the law to challenge powerful states and corporations responsible for human rights abuses and environmental harm. Your fundraising supports strategic legal action, in-depth investigations, and partnerships with frontline communities seeking justice.

Because our cases often take years to pursue, your support also provides the long-term funding we need to take on complex, high-impact cases and stand with communities until justice is achieved.
